Enhance The Night

Landscape Lighting
(Stocked Fixtures)

LandLight
Enhance The Night

Welcome to the Landscape Lighting division at Wes-Tech Irrigation Supply. We are confident we can help you with your outdoor lighting project no matter what the size.

For more detailed info visit our web site at:
www.landlight.ca

A few notes about this catalogue:

Fixtures with this symbol are considered Pro-LED. The advantage of Pro-LED is the fixture and the bulb are guaranteed for 15 years, the longest bulb warranty in the industry. The light from these fixtures are much brighter than standard LED bulbs reducing the number of lights required to illuminate an area.

Our brass fixtures are rugged with a beautiful aged look. With no paint to fade or peel these fixtures will last a lifetime, guaranteed!

01 - The number on each fixture has a dual purpose. The number itself identifies the fixture in our price list and the colour determines the type of LED bulb used (refer to page 18 for the colour codes).

In Stock - Each fixture in this catalogue is considered a "stocked fixture". That means we have between 10 and 20 on hand ready to go. If not they are quickly accessible. When your under the gun or just trying to arrange for an electrician, knowing we have stock makes organizing your project stress free.

Master Distributor - As a Kichler Master Distributor we do not pay shipping for the lights we purchase, no matter how small the order is. Ask about our full line of Kichler products and get quick access to hundreds of specialty lights.

01
PRO LED PIERCED DOME
 A cast dome sculpted with a floral band and pierced to reveal a sophisticated pattern of LED light.

POWERED BY
 DESIGN PRO
 TECHNOLOGY

4W INTEGRATED LED

02
LED CAST HAMMERED ROOF
 A simple yet clean design that blends the newest LED technology with tough as nails construction.

POWERED BY

34

SATURN

The Saturn offers soft level lighting with an elegant look. The frosted cylindrical lens minimizes glare.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

35

CENTAURUS 4

The Centaurus with 4" Hat offers soft level lighting with an elegant look. Machined brass with double o-ring retention seal. Beryllium Copper lamp sockets.

20W XELOGEN BI-PIN, CAN BE UPGRADED TO LED

36

CENTAURUS 6

The Centaurus with 6" Hat offers soft level lighting with an elegant look. Machined brass with double o-ring retention seal. Beryllium Copper lamp sockets.

20W XELOGEN BI-PIN, CAN BE UPGRADED TO LED

37

CENTAURUS 12

The Centaurus with 12" Hat offers soft level lighting with an elegant look. Machined brass with double o-ring retention seal. Beryllium Copper lamp sockets.

20W XELOGEN BI-PIN, CAN BE UPGRADED TO LED

38

PRO LED RADIAX ACCENT LIGHTS

A specification-grade LED fixture collection that features more lumen output packages, Kelvin options and unparalleled performance. With Radiax optics.

3W INTEGRATED LED

39

PRO LED RADIAX ACCENT LIGHTS

A specification-grade LED fixture collection that features more lumen output packages, Kelvin options and unparalleled performance. With Radiax optics.

6.5W INTEGRATED LED

40

PRO LED RADIAX ACCENT LIGHTS

A specification-grade LED fixture collection that features more lumen output packages, Kelvin options and unparalleled performance. With Radiax optics.

13W INTEGRATED LED

41

PRO LED RADIAX ACCENT LIGHTS

A specification-grade LED fixture collection that features more lumen output packages, Kelvin options and unparalleled performance. With Radiax optics.

21W INTEGRATED LED

All fixtures in this catalogue are usually in stock and ready to go. Since Wes-Tech carries such a large inventory of lights, you can start your project right away.

42
PRO LED 12V WALL WASH

This Design Pro LED Wall Wash creates a low, even light spread that illuminates shrubs, plants and textured wall surfaces.

POWERED BY
DESIGN PRO
TECHNOLOGY

HIGH 4 W, LOW 2.5 W, INTEGRATED LED

43
MINI ACCENT

For uplighting (spotlighting, cross-lighting, grazing). Popular, sleek and affordable.

UP TO 35W MR16, CAN BE UPGRADED TO LED

44
CENTENNIAL BRASS ACCENT

12V Brass Accent Light in Centennial Brass. Rugged and affordable.

UP TO 35W MR16, CAN BE UPGRADED TO LED

45
NARROW SPOT

The crisp, clean light illuminating from this LED Landscape Spot Light enriches the beauty and security of any house or landscape.

3W INTEGRATED LED

46
WIDE SPOT

The crisp, clean light illuminating from this LED Landscape Spot Light enriches the beauty and security of any house or landscape.

3W INTEGRATED LED

47
WTBL50 SPOT
This petite bullet light is great when trying to hide the light source. It's solid brass construction will hold up in almost any situation. Solid brass knuckle with dial adjustment.

20W XELOGEN MR11, CAN BE UPGRADED TO LED

48
WTBL100 SPOT
Fully Adjustable Brass shroud, clear glass, convex lens, 25 foot wire lead. The BL100 is a well crafted fixture.

20W XELOGEN MR16, CAN BE UPGRADED TO LED

49

WTBL200 SPOT

This heavyduty solid brass spot light is simply too tough to beat.

20W XELOGEN MR16, CAN BE UPRGRADED TO LED

50

WTBL300 SPOT

Brass fixture, aged brass finish. Cast brass knuckle with dial adjustment. Fully adjustable brass shroud.

10W PAR 36 LED OPTION

51

WTDL50 DOWN LIGHT

This petite down light is perfect in any situation that requires light from above. All the hardware is included to make installation a snap.

20W XELOGEN MR11, CAN BE UPRGRADED TO LED

52

WTDL100 DOWN LIGHT

This down light is perfect in any situation that requires light from above. All the hardware is included to make installation a snap.

20W XELOGEN MR16, CAN BE UPRGRADED TO LED

53

WTFL50 FLOOD LIGHT

Soft wide white light is exactly what you will produce with this solid brass flood light.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

54

WTFL100 FLOOD LIGHT

Soft wide white light is exactly what you will produce with the FL50 solid brass flood light.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

55

PROBE DOWN LIGHT

Featuring a lock and load shroud, the Probe is enhanced by a revolutionary ball and joint swivel mount allowing a 360° rotation, thus giving 100% accuracy for proper lighting angle.

20W XELOGEN MR16, CAN BE UPRGRADED TO LED

56

PROBE SPOT LIGHT

Featuring a lock and load shroud, the Probe is enhanced by a revolutionary ball and joint swivel mount allowing a 360° rotation.

20W XELOGEN MR16, CAN BE UPRGRADED TO LED

57

HEIDI FLOOD LIGHT

Heidi, our small brass wall wash fixture, creates an illuminated visual backdrop for your overall landscape design.

20W XELOGEN MR11, CAN BE UPGRADED TO LED

DECK LIGHTS

58

ZEN GARDEN POST

Serene, minimalist design and added security to supplement deck sconces.

6.5W T-5, CAN BE UPGRADED TO LED

59

ZEN GARDEN DECK LIGHT

Asian-inspired minimalist design for subtle deck lighting.

6.5W T-5, CAN BE UPGRADED TO LED

60

LED DECORATIVE HAMMERED ROOF

Traditional designed pierced shade and scalloped edge combines with the energy efficient benefit of LED technology.

2W INTEGRATED LED

61

PRO LED HALF MOON

Understated, transitional style for deck and patio with the added benefit of LED technology.

2W INTEGRATED LED

62

PRO LED MINI STEP LIGHT

Designed to be integrated into outdoor steps. Casts a low, even spread of energy efficient LED light.

2W INTEGRATED LED

63

LOUVERED DOWN LIGHT

Compact and contemporary, designed for lighting on rails, along decks, patios or stairways.

6.5W T-5, CAN BE UPGRADED TO LED

64

72
DELCAN POST LIGHT

Declan, Illumicare's dual-purpose post light fixture, is constructed of acid-finished red brass and features an adjustable socket to increase, or decrease the light output.

T5 LED RECOMMENDED

73
WTSL100 STEP
LIGHT

The SL100 is a solid brass surface mounted puck light that mounts nicely on posts and side walls.

LIFETIME WARRANTY

20W XELOGEN BI-PIN, CAN BE UPGRADED TO LED

74
NYX POST
 Our diminutive niche luminaire, Nyx, is constructed of finely-machined heavy-gauge copper.

T5 LED RECOMMENDED

75
WTWS300 WALL
SCONCE

This up-down wall light gives a beautiful hourglass shaped beam spread. Made from quality brass material that will last a lifetime.

LIFETIME WARRANTY

2 x 35W MR16, CAN BE UPGRADED TO LED

76
PRO LED MINI STEP
LIGHT

Designed to be integrated into outdoor steps. Casts a low, even spread of energy efficient LED light.

POWERED BY
 DESIGN PRO
 TECHNOLOGY

2W INTEGRATED LED

77

WTSL300 STEP LIGHT

Same brass fixture with aged brass finish as the SL200 with the added benefit of 2 bulbs for double the light.

2 x 20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

78

WTSL200 STEP LIGHT

Simple, sleek and functional best describes this staple landscape lighting fixture. Brass fixture, aged brass finish.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

79

WTSL35 LED STEP LIGHT (BOX FREE)

Solid brass louvered faceplate mounts flat on any surface eliminating the need for a junction box. 900 lumens!

Side View

INTEGRATED 9W LED 10 YEAR WARRANTY

80

WTSL25 LED STEP LIGHT (BOX FREE)

Solid brass louvered faceplate mounts flat on any surface eliminating the need for a junction box. 450 lumens!

Side View

INTEGRATED 4.5W LED 10 YEAR WARRANTY

81

WTWS100 WALL SCONCE

This up-down wall light gives a beautiful hourglass shaped beam spread. Made from quality brass material that will last a lifetime.

2 x 20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

82

WTHL100 HANGING LIGHT

This solid brass light works great as a down light hung from a branch or structure.

35W MR16, CAN BE UPRGRADED TO LED

83

WTHL200 HANGING LIGHT

This solid brass light works great as a down light hung from a branch or structure. This has the added feature of small decorative lights shining from the side.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

84

VIKING

The Viking features a lock and load cover allowing installation to be free of exposed screws and other mounting hardware.

20W XELOGEN BI-PIN, CAN BE UPRGRADED TO LED

85

HAYDN

Haydn is a 45° directional, recessed, integrated LED luminaire which casts a subtle warm white light. This small round fixture features a stainless steel finish.

1.3W INTEGRATED LED

86

VIVALDI

Vivaldi is a 45° directional, recessed, integrated LED luminaire which casts a subtle warm white light. This small square fixture features a stainless steel finish.

1.3W INTEGRATED LED

87

WTGL150 WELL LIGHT

This compact up light is great in any situation you don't want to see a fixture protruding from the ground. Solid brass for long life.

20W XELOGEN MR16, CAN BE UPGRADED TO LED

88

WTGL100 WELL LIGHT

All the features of the GL150 with the added benefit of the cowl to reduce glare.

20W XELOGEN MR16, CAN BE UPGRADED TO LED

89

WTWL300 WELL LIGHT

The advantage of a flush mounted light with the adjustability of a spot light.

20W XELOGEN MR16, CAN BE UPGRADED TO LED

90

WTCGWL01 WELL LIGHT

This PAR36 well light will give you that extra light when needed. The solid brass grill protects the light from damage.

35W PAR 36, CAN BE UPGRADED TO LED

91

SANDY

Sandy, our weathered brass well light, is designed to be buried in the ground and direct light upward into trees.

92

MOZART

Mozart is a directional integrated LED luminaire which casts a subtle warm white light. This small round fixture features an angled lens and a stainless steel finish.

2.5W INTEGRATED LED

93

CHOPIN

Chopin is a directional integrated LED luminaire which casts a subtle warm white light. This small round fixture features an angled lens and a stainless steel finish.

2.5W INTEGRATED LED

94

SINGLE MARKER LIGHT

This flush mounted stainless steel marker light is great for edges and walkways.

2.5W INTEGRATED LED

95

DUAL MARKER LIGHT

This flush mounted stainless steel marker light is great for edges and walkways.

2.5W INTEGRATED LED

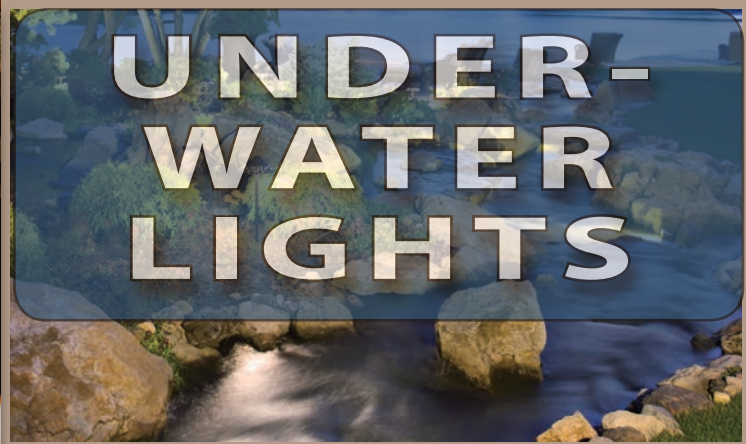

96

QUAD MARKER LIGHT

This flush mounted stainless steel marker light is great for edges and walkways.

2.5W INTEGRATED LED

97

PRO LED UNDERWATER

Designed for underwater use in ponds, fountains, and other water features. Integrated LED's and Driver, 60° beam spread High CRI and tight colour consistency. Stainless Steel housing with integrated cowl

POWERED BY DESIGN PRO TECHNOLOGY

3.4W INTEGRATED LED

98

WTUL100 BRASS UNDERWATER LIGHT

Heavy Duty fixture for any size pond.

LIFETIME WARRANTY

99
POND AND LANDSCAPE 3 LIGHT KIT

Includes everything needed to create a beautiful nighttime focal point in any water garden or traditional landscape.

3 X 1W INTEGRATED LED

100
FOUNTAIN LIGHT
The AquaScapes 1-Watt LED Waterfall Lights are ideal for use in waterfalls or up-lighting pond plants.

1W INTEGRATED LED

101
WATERFALL LIGHT
The AquaScapes 1-Watt LED Waterfall Lights are ideal for use in waterfalls or up-lighting pond plants.

1W INTEGRATED LED

When A Project Needs To Be Finished You Will Be Impressed With Our Turnaround Time And Our Service.

102
SMALL BULLET SPOTLIGHT
The AquaScapes 1-Watt LED Bullet Spotlight's compact size and powerful output makes it an extremely versatile fixture.

1W INTEGRATED LED

103
MEDIUM BULLET SPOTLIGHT
The AquaScapes 3-Watt LED spotlight has the same stylish look as our 1-Watt LED Bullet Spotlight unit only with three times the light.

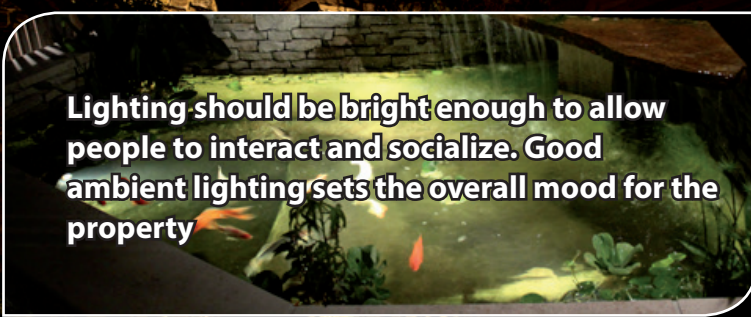

3W INTEGRATED LED

104
LARGE BULLET SPOTLIGHT
The AquaScapes 6-Watt LED Spotlight is every-efficient yet powerful enough to light a large tree or large portion of your water garden.

6W INTEGRATED LED

Lighting should be bright enough to allow people to interact and socialize. Good ambient lighting sets the overall mood for the property

109

LIGHT LOGIC PROGRAMING MODULE

- Astronomical timing – auto adjusts dusk and dawn times by your location
- Daylight Savings Time
- Firmware upgradable
- Power outage safe

110

LIGHT LOGIC POWER CONTROL UNIT

- Compatible with any 120V device
- 1000 foot line of sight range
- Each PCU also functions as a repeater for long-range installations.

111

LIGHT LOGIC HANDHELD REMOTE

- Backlit display
- Instant „in-field” control
- Override option
- Accessable with PIN code
- All On - All Off security

The Light Logic™ system offers a convenient way to automate your low voltage lighting and other landscape features - all in an easy-to-install wireless system. Best of all, it installs into new or existing lighting systems. Control up to four different scenes. Each scene controls a different zone.

MATCH COLOUR WITH FIXTURE NUMBER

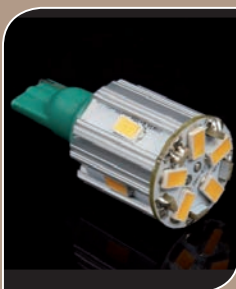

FIXTURES WITH THIS COLOURED NUMBER DO NOT REQUIRE A BULB

112

T5 WEDGE

LED T5 Wedge (912, 918 & 921 Replacement) •Solid aluminum heat sink – to dissipate the heat from the LED chips, allowing for longer lamp life, and for use in enclosed fixtures.

1.8W 210 LUMENS

113

T10 WEDGE

LED T10 Wedge (912, 918 & 921 Replacement) Dimmer version for more subtle lighting.

0.75W 80 LUMENS

114

G4 BI-PIN

LED G4 Bipin (Q20 replacement) •Solid aluminum heat sink – to dissipate the heat from the LED chips, allowing for longer lamp life, and for use in enclosed fixtures.

1.8W 190 LUMENS

115 - 116

G4 BI-PIN SIDE AND REAR PIN

The only wafer-style LED G4 Bipin lamp with a rotatable base available in the landscape lighting industry. Great for accent and deck lights.

2W 125 LUMENS

117

G4 BI-PIN

The single Cree LED chip creates a 300 degree angle of bright light. Ideal for landscape lighting .

1W 100 LUMENS

118

G5 BI-PIN

LED G5.3 Bipin (Q20 replacement) •Solid aluminum heat sink – to dissipate the heat from the LED chips, allowing for longer lamp life, and for use in enclosed fixtures.

2.5W 230 LUMENS

119

FITS SELECT KICHLER FIXTURES

S8 WEDGE

LED S8 Wedge (3155 & 3156 Replacement) •Solid aluminum heat sink – to dissipate the heat from the LED chips, allowing for longer lamp life, and for use in enclosed fixtures.

2.5W 260 LUMENS

120

FITS SELECT FIXTURES

SCB BAYONET

LED Single Contact Bayonet (93, 1141 & 1156 Replacement) •Solid aluminum heat sink – to dissipate the heat from the LED chips, allowing for longer lamp life, and for use in enclosed fixtures.

2.5W 260 LUMENS

121

MR11

Great for smaller MR11 spot lights. Comes with 15, 30 and 45 degree optics.

4W 175 LUMENS

122

MR16

These LED MR16s are a great replacement for Halogen MR16s. The "ANTI-GLARE" technology and magnificent true 83 CRI make this lamp a quality choice.

5W 310 LUMENS - 30, 45 OR 60 DEGREE

123

MR16 - EXTRA BRIGHT

These LED MR16s are a great replacement for Halogen MR16s. The "ANTI-GLARE" technology and magnificent true 83 CRI make this lamp a quality choice.

7W 310 LUMENS - 30, 45 OR 60 DEGREE

124

PAR 36

Suited for PAR 36 50 watt replacements. Rated for wet conditions.

12W 1200 LUMENS - 45 AND 60 DEGREE

LOW VOLTAGE POWER SUPPLY

125 - 126 - 127 - 128

60W & 100W & 120W & 150W

ALL IN ONE

Economy transformer with built in timer and photocell.

129 - 130

100W AND 200W PLUS SERIES

Multi-taps: 12, 13, 14, 15, V An in-line secondary magnetic breaker protects against short circuiting. Epoxy encapsulated for greater protection and performance.

131

200W ALL IN ONE

Lifetime warranty transformer with built in timer and photocell, stainless steel.

132 - 133

150W AND 300W LIFETIME

Lifetime warranty, voltage multi-taps: 12, 13, 14, 15, stainless steel cabinet, timer and photocell ready, fully potted, insulated, single core, tilted lug bar and Inline surge protection.

134

600W LIFETIME

Lifetime warranty, multi-voltage taps: 12, 13, 14, 15, 16, 17, 18, stainless steel cabinet, timer and photocell ready, fully potted, insulated, single core, tilted lug bar and Inline surge protection.

135

60W 3 ZONE TRANSFORMER

3-Station LED Landscape Light Controller/Transformer, with a built in 60 Watt power supply, is ideal for providing the ultimate in control for a landscape lighting system.

136 - 137

6W AND 20W MANUAL

Simple 12V plug-in transformers provide an economical solution for operating Aquascape low voltage lighting fixtures.

138

60W 3 ZONE TRANSFORMER MOTION SENSOR

Don't want the lights on all night? Use this motion sensor to activate the lights at a later time. Works with 60W 3 Zone Transformer only.

139

PHOTOCELL

For use in PRO or LIFETIME transformers. Photocell turns your transformer on at dusk and off when ambient light appears.

140

EXTENDED PHOTOCELL

For use in PRO or LIFETIME transformers. Photocell turns your transformer on at dusk and off at dawn. C/W 10' cord.

141

PHOTOCELL

For use with 6W and 20W manual transformers. 20W maximum input.

142

PIN TIMER

For use in PRO or LIFETIME transformers. Up to 2-on and 2-off settings per day.
